

# **Petunia Wave Misty Lilac**

Spreads up to 2 inches PER DAY!

Low, Wide, Ultra-Colorful Ground Cover! Perfect for Baskets!  
Just 9 plants cover more than 100 square feet!

The color is the only gentle thing about this plant, though--Misty Lilac has the same incredible bloom and spread of the other Waves! Densely-branched, it reaches about 6 inches tall and spreads 3 to 4 feet wide before you can turn around!
