

Strawflower

Monstrosum Mix

Helichrysum

Vibrant colors and huge size!

Big, Early-Blooming Flowers in 5 Vibrant Colors!
Sturdy and colorfast, fresh or dried!

Radiant colors and huge blooms make this mix indispensable for the summer garden and for long-lasting dried arrangements! Simply the best Strawflower for drying, the Monstrosum series combines huge form, beautiful color, and easy-care habit to give you plentiful, vibrant 2- to 2 1/2-inch blooms for both fresh and dried use! Easy-care 30-inch plants thrive in full sun and ordinary garden soil, blooming early and continuing all summer.
