

Hibiscus “Splash Pinot Grigio”

Common Name: Hardy Hibiscus (Light Blush)

Bloom: July - August

Height: Approx. 3’ with blooms of 9”-10”

Exposure: Full Sun

General Information: New variety in the Splash series. Snowy white petals are kissed with just the subtlest hint of rose-pink at the outer edge. A brush stroke of the same hue at the base of each petal forms a ring around the flower’s throat.
